

***Are you 60 or older and looking for extra help paying for groceries?***

In Hampden County, MA, the Springfield Department of Elder Affairs is sending staff to every corner of the county to educate seniors about SNAP, and how to increase one's benefit level by claiming out-of-pocket medical deductions. The staff are working tirelessly with seniors to assist them in *signing up for SNAP* to help make ends meet! Helping with the application process and providing case management to all seniors they help make sure all of your documentation is complete. On many occasions, they have helped SNAP recipients qualify for more benefit! The SNAP Outreach Team visits seniors in their community, in familiar places, to help the 1,500 seniors in Hampden County to sign up and receive SNAP benefits before April 30, 2016. If you know a person 60 and over living in Hampden County who could benefit from SNAP please contact Laura Hurley, Hampden County Senior SNAP Outreach Worker, at 413-923-4043, or Rosalba Behnk, at 413-8865260
